 Evan Holladay

SHORT BIO

Evan Holladay is a real estate developer and investor with over \$225 million and 1347 units of multifamily real estate developed and invested.

Evan is Founder and CEO at Holladay Ventures where their team specializes in creating and investing in workforce, affordable and mixed-income communities. Their mission is to create quality housing opportunities and empower the residents to realize their full potential.

Evan is also the host of the iTunes Top 200 business and real estate podcast, "Monumental" where he sits down with top leaders and entrepreneurs making massive change in the world.
